## Activity 20 True Friendship

---

---

After reading the book *Rosie and Michael* pair up and write your own shortened version. Make it humorous, but not too silly.

See example:

### Christopher and Joshua

Chris would still be my best friend even if he threw my favorite video game into my pool.

Joshua would still be my friend even if he stole my Game Boy - Advance. Chris would still be my best friend even if he stuck me to the ceiling.

Josh would still be my best friend even if he put a bee down my pants.

Chris would still be my best friend even if he got me into really big trouble.

Josh would still be my best friend even if he tripped me with his skateboard.

Chris would still be my best friend even if he stuck a sign on me that said, "Kick me!"

Josh would still be my best friend, even if he punched me in the stomach.

My best friend is Chris.

And my best friend is Josh.

Brainstorm some ideas together.
