

Honors Biology Pacing Guide – Unit 3: The Cell

DAY	Lab or Activity	Student worksheet	Lecture -- Class notes	AV	Follow-up	Homework	Assessment
1			The Cell and its Parts CN 6			Read the section in the book on the cell and its organelles.	
2			Continue lecture on the cell and its parts			Read the section in the book on the cell and its organelles.	
3	Pre-lab discussion on the proper handling of the compound microscope						
4	Lab 8 The Microscope						
5		Worksheet 3 The Cell and its Parts					Collect and grade
6			Osmosis and Diffusion CN 7			Read the section on osmosis in the text.	
7		Worksheet 4 Osmosis and Diffusion					Collect and grade
8			Cellular Respiration CN 8				Collect and grade homework
9			Continue the lecture on cellular respiration			Read the section on cellular respiration in the text	
10	Lab 9: Glycolysis Mapping						Collect and grade
11		Worksheet 5: Cellular Respiration			Discuss the lab's results.		Collect and grade
12	Review for Unit 3 Test					Review for Test	
13							Unit 3 Test A or B
